A Heart for Service in the Shoals

## President's Message

Dear Fellow League Members,

The leaves are beginning to fall, there is a crispness to the air and for the League this can only mean one thing----Apple Annie Day is just around the corner! The proceeds from this project allow us the opportunity to serve our community in numerous ways. As the direct result of our hard work, local non-profit organizations will be able to purchase much needed equipment and continue to serve the needs of some of our area's most "special" citizens. *EVERY APPLE* we sell makes a difference, so please go the extra mile on Apple Annie Day to sell every single apple Mary Marshall and her committee have ordered. Please remember that we are all representatives of the League as we work at our posts, so keep a smile on your face and a positive attitude in your heart and on your lips. Now, more than ever, the community needs our support.

I would like to congratulate the newly-elected members of the Admissions Committee. From Colbert County they are Tina Jhin, Karen Christian, and Michelle Simpson. For Lauderdale County they are Patty Redd, Patty Klos, and Ashli Smith. The job you have been chosen to do is vital to the League and your commitment is much appreciated.

Don't forget to bring your socks to the Polishing Party on Sunday, October 27 at Muscle Shoals Recreation Center. In my opinion, this meeting serves two purposes – not only do we polish all of the apples but we also get the chance to meet league members that we might otherwise never have had the chance to meet before! Mary Marshall and the entire Apple Annie Committee have worked very hard so that this year's Apple Annie Day will be successful. Your help and cooperation are greatly appreciated not only by them, but also most certainly by the benefactors of our hard work. I look forward to seeing you all at the Polishing Party!

Sincerely,

Allison
