Muscle Shoals District Service League August 2001

New Year-New Views!

President's Message

Dear League Members:

The 2001-2002 Muscle Shoals District Service League's year is about to begin and I hope you are all ready! We are coming off of our wonderfully productive Bag-A-Bargain year, thanks to Lynn Bevis and her committee. This year offers us a variety of ways to serve our community, from Apple Annie to Cookbook Events to our community placements. As always, let's ensure that the League is ready, willing and able to serve.

I want to welcome this year's Provisional Class, one of the largest we have seen to date. Provisionals, it is my goal to be available to you if you have questions, comments or concerns. Special thanks to Leslie Tomlinson and Tina Jhin for their dedication to the task of directing our 2001-2001 Provisional Class. Thanks also to Amy Darby for opening up her home for our Provisional Tea ~ what a great crowd we had! Thanks to all members who attended. League Members please seek out our new Provisionals and make them feel **welcome.**

Lori Dolan and the Cookbook Committee are already planning for the upcoming year. Lori's first job was to clean out the office and to move all of our League "belongings" to a storage room. I know that Lori didn't think that cleaning and moving was a part of her job, but I really appreciate what she did. Please give Lori a big "Thanks". We were able to pay off *The Art of Cooking* this summer and are working toward

 Board @ 6:00pm - General @7:00pm

being able to contribute more money to our community through Cookbook sales. Please remember this when considering ways to sell more cookbooks.

Mary Marshall VanSant and the Apple Annie Committee are beginning preparations for this year's Apple Annie Day. Mark your calendars for the Apple Polishing Party on October 28 and Apple Annie Day on November 2. Think good, *cool* weather and red tights!!

So, in conclusion, I look forward to serving as League President this year. I did not, however, accept this challenge alone. This job requires a great Board of Directors, which the League is fortunate to have. Thanks to each of these women for agreeing to support me in this endeavor. I look forward to the upcoming year and to seeing you on September 4th.

Apple Annie Day

Friday, November 2

As always, our goal for this year's Apple Annie committee is to make apple sales easier and more profitable. Specific details will be given at the September meeting.

Like last year, members will not be required to call on businesses or individuals for crate sales. You will be required to sell a certain number of bags of apples and be required to help deliver crates sold by the crate/asst. crate chairs.

If there is a specific business/individual that you would like to volunteer to contact for Apple Annie crate sales, please contact the appropriate county crate chairman immediately:

Colbert Chairman

Allison McWilliams - 389-9588

Lauderdale Chairman

Goode Dethero - 767-7306

The crate delivery system will be the same as last year (deliveries assigned by crate/asst. crate chair), so if you have a particular business/individual that you would like to deliver to please contact Allison or Goode now.

Please let the crate chairs know if there are any new businesses or individuals that might be interested in buying apples. Please be prepared to let the crate chairmen know at the September meeting who you would like to contact or deliver apples to. Any help is greatly appreciated!

We will be changing the check-in system at polishing party to a checkout system. We hope this will be helpful and alleviate any problems.

Please remember: the more apples we sell, the more we can give back to the community!

Mary Marshall VanSant
Apple Annie Chair

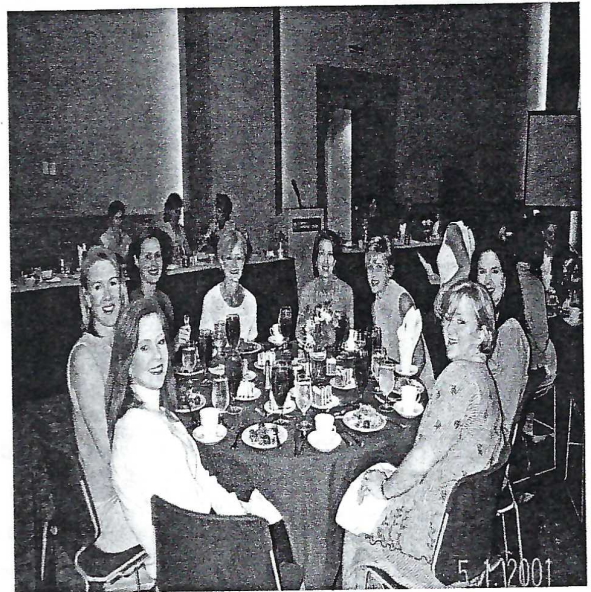

Thank You

See you there!

May Dinner 2001

May Dinner always signals new beginnings. The pattern is old, yet ever new. It is good to annually shift the gears of organizational activities, take a deep breath, see a new viewpoint, and ...girded with the thrill of accomplishments of the past year, start all over again. New faces join old faces, and some retire to say: "It's your turn now!". We will miss you Provisional Class of 93'.

THIS IS MY ORGANIZATION!

It will be friendly if I am.

It will do a great work if I work.

It will bring others into service if I bring them.

It will be an organization of loyalty and love, of unselfish giving and faith with a noble spirit if I,

who make it what it is, am filled with these.
