President's Message

A Heart for Service in the Shoals

Dear Service League Members,

Thank you; thank you for a wonderful Apple Annie Day! This year's Apple Annie Day was an excellent example of why I am so proud to be a part of the Muscle Shoals District Service League. The Provisionals did an excellent job on Thursday, and the momentum started by these ladies carried over to Friday. There was not a red delicious apple left in OK Produce's warehouse by Friday at 9:00 p.m.! We experienced tremendous support from the community, and for that I am extremely grateful. A special thank-you goes to Jimmy Oliver for helping our street sales by having a live remote set up at the office. He urged the public to buy apples ALL DAY LONG, and there were many times that we had several cars in line waiting to buy apples and have them delivered to their car! Of course, this could not have been possible without the hard work of Patty Redd and her Apple Annie Committee. They were an extremely dedicated and positive group that managed to organize every detail of the day. They kept the office running efficiently with a minimal amount of people, and their dedication certainly did pay off for all of our community and for us.

With Apple Annie behind us, we have much to look forward to. At our December meeting, we will vote on our Nominating Committee for 2004. The women we elect to this committee will have the responsibility for preparing the slate of elected officers for the next league year. Please be thinking of three women from each county who could serve on this very important committee.

It is not too early to be thinking about placements for the next League year. Please take a moment to fill out the "new and improved" Mid-Year Placement Questionnaire. This questionnaire is important not only for making in-league placements but also for evaluating the community placements for next year. I urge anyone who might be interested in an in-League placement to complete the questionnaire. This is the only way for us to know of your interest in a placement. President, President-Elect, and Placement Chairperson are the only women who see these forms. Please let us know of your interests! These forms can be turned in at the December meeting or mailed to Becky McDaniel or me.

I would like to wish everyone a happy and safe holiday season. This time of year always reminds me of how thankful I am for my many blessings, especially my friends and family. It is my hope that all of you will enjoy time with the special people in your lives this holiday season. I look forward to all of us working together in the New Year!

Happy Thanksgiving, Merry Christmas, and Happy New Year!

APPLE ANNIE NEWS

SALES

Our presales were up from last year in crates and ½ crates. Our bag sales were down due to cutting the requirement for the league members. I feel like adding the new businesses, as well as contacting the sustainers, was a great idea.

Apple Annie Day was a HUGE SUCCESS!!!! This is the 2nd time in 62 years that we sold out of apples. This was a great problem to have. I was glad to see this because street sales vary from year to year. We were very blessed with the generous donations of our community in these uncertain times. I anxiously await the final checks to arrive so we can get our final total.

Provisional sales were a HUGE SUCCESS. The provisional sales were \$12,000.00 dollars more than last year. Wal-Mart in both counties was kind to let us be there Thursday and Friday. Thank you provisionals for all your hard work and time.

THANK'S

I would like to thank my committee who worked **very hard** and put in **long hours** to help make Apple Annie Day 2003 a success.

Thank you to the sustainers who worked in and brought food to the office, and also to those who worked on the street. You are a wonderful part of our league and your efforts are appreciated.

I would also like to thank Becky McDaniel for getting our name out to the radio station with our daylong live remote on 107.3. Also, a huge thank you to Kristi Sockwell and Melanie Huguley who did a wonderful job advertising Apple Annie during the week. Melanie was also able to get three T.V. stations to cover the Provisional Sales as well as Apple Annie Day. The P.R. from this was fabulous. A thank you to Leah Knight for representing Apple Annie on "In The Know With The Shoals" T.V. show.

Also a special thank you to our President and President-Elect, Leslie Tomlinson and Becky McDaniel; without you this League would not be what it is today.

A big thank you goes to everyone in the league; without all of us working together we would not have had such a successful day!!!! We sold about 53,000 apples this year. This is only the second time in 62 years since we have been doing Apple Annie that we sold out of apples. This speaks well of the community and their support for the league.

Thank you!!!!
Patty Redd

Hats Off To The Apple Annie Committee

Congratulations to the Top 4 Bag Sales

Junior League Affiliation Update

As most of you know or have heard, a vote on continuing with the Junior League affiliation process was taken at Polishing Party. Of the 130 members present, 84 voted in favor of affiliation and 46 voted against affiliation. As your president, I have learned that there is no way that I can make everyone happy. However, it does concern me that one-third of the league voted against affiliation. I had hoped that the vote would be overwhelming for or against affiliation. I have voiced my concerns with Mary McMechan and a few of her coworkers at the Association of Junior Leagues International office. They share my concern and have advised me to move slowly in the direction of affiliation. I have written a letter to the Association formally requesting that we begin the affiliation process. The Association is not asking for the \$1,000 application fee at this time. The next step is developing a strategic plan on how we will make the affiliation process successful for MSDSL. The plan will be written so that it addresses the concerns of those who voted "no" as well as addresses the concerns our sustainers may have. We ask that all of you who voted against this to stay with us and take a look at how we plan to implement this. We ask you to become our watchdogs and critique what we do. Our strategic plan will have measurable outcomes that we can check at 3 months, 6 months, and 12 months. If at any time, it becomes apparent that we are on the wrong path, then we can re-evaluate the affiliation process. It is my hope that through this strategic plan we can outline how JL services can be of benefit to all our members, how we can add value to our community without loosing our impact upon it, and how we can make this abstract concept of affiliation concrete to all of members and sustainers. This change could help us do more and do better. Please stay with us during what will be a long process and see where it will take us. If you would like to help in developing the strategic plan, please let me know. Please feel free to contact Becky McDaniel or me to voice any concerns or suggestions you might have. I appreciate so much those members who voted "no" coming to me and explaining why they voted against affiliation. This is the only way to know what issues need to be addressed. Thank you to those who have begun to critique this process and not just be a critic of it. We sincerely need and want your input. Thank you!

Adopt a Child for our Annual Rehabilitation Christmas Party!

The League's annual Christmas Party for the children served by the Rehabilitation Center will be on December 11th. We are asking our members to consider "adopting" one or more of the children and to purchase a \$5.00 gift for him or her. This year there will be 4 teenage boys and 4 teenage girls in attendance, as well as 15 boys and 11 girls whose ages range from 4-12. If you decide to adopt one of these children, we are asking that you purchase a gift, wrap it, label it with the gender and age range of the recipient, and bring it to the December meeting. These children

are so grateful for these small gifts; please consider "adopting" one of these special children. If you would like to help with this project, please call Kristi Sockwell or Leslie Tomlinson to "reserve" one of the children. Thank you!

Treats Needed at the Colbert-Lauderdale Attention Homes

In 1974 the MSDSL provided seed money for the opening of the Colbert-Lauderdale Attention Homes. The homes were opened as an alternative to jail. The ultimate goal is to help these young people become responsible and productive citizens. After a few weeks most youth will go home, be placed in foster care, longterm group homes, or institutions.

During the December meeting I will be collecting snacks the youth enjoy for the holidays. Please bring any of the following:

Microwave Popcorn Cookies Snack size Bags of Chips Candy Bars Bags of Hard Candy

Thank you for your help!!! Happy Holidays! Marianna Jordan Attention Homes
