LEAGUE DEVELOPMENT COMMITTEE FOR 1990'S QUESTIONNAIRE

As we enter another decade, we need to pause to reflect on the high caliber women that make the Service League the dynamic organization that it is. We also need to know what you need from the Service League. It is your hard work that has caused the Service League to become a well respected service organization in the Shoals area.

At the first of this year, Claire Eckl formed an ad hoc committee to do some fact finding about current and future attitudes, perceptions, and needs of our membership. Toward this end, the committee is preparing a questionnaire which will be mailed to the membership soon. Please take time to thoughtfully answer the questionnaire and bring it with you to the March 6 meeting. In the event you are unable to attend the meeting, please mail the questionnaire to me.

The League Development Committee is going to make recommendations to Claire concerning possible changes after we study responses to the questionnaire. Some recommended changes will be considered by the membership as early as next year. Other recommendations may carry over into following years depending on the needs of the membership.

It is up to you to let us know in the questionnaire how we can make the Service League continue to be the successful service organization that it is. Thank you for your participation.

Evie Mauldin
