## Junior League of the Shoals

Women building better communities

### Presidents Corner

Thanks so much to the Apple Annie Committee! We all appreciate your work, under the leadership of Kanaha, in preparing for yet another successful Apple Annie Day. After your skins, we're all ready to show off our rights and sell lots of apples! At Polishing Party, we will have a VERY quick meeting and then start polishing. Don't forget your socks! Also at Polishing Party, we will vote on our Admissions Committee, which helps collect our provisionals for next year,

and our Nominating Committee, which will select a slate of officers for next year. Look for your ballots at the front tables.

Thanks also to the Sugarplum Committee. Amy, Tana, and Heather are doing a wonderful job of making sure our first Sugarplum Market is a success. Among other details, they are working with NACOLG to provide transportation to and from First Fridays to our Market and with Lamar Advertising on billboards and posters. As they mentioned in the

meeting, please let them know if you can help with obtaining any final corporate sponsors or if you would like to be an individual sponsor.

See you at Polishing Party and on Apple Annie Day!

Missy

### Sustainer's Square

Please remember Apple Annie day is quickly approaching. If you would like to bring refreshments, please contact Patty Ekin at 757-0077 or 710-4435. If you are willing to fill a post and sell apples, please contact Kanaha Jaynes at 757-5059.

Of course, for this day to be a success we need the help of our Sustainers.

Another fundraising opportunity is coming

up soon after Apple Annie--our first Sugarplum Marketplace, which is an upscale shopping experience for the Shoals and surrounding areas with reputable merchants from throughout the Southeast. It will be a one-stop shopping venue where people can do all of their holiday shopping over a three-day weekend, while enjoying fine food and entertainment in a festive holiday village-type atmosphere. Please purchase

tickets and plan on joining us at the Florence Caliseum November 30-December 2.

Now, everyone hopefully has their black books; they were either delivered or mailed after the October meeting.

If you have any questions or anything you would like printed in the Hourglass, please e-mail me at [missy@lanahan@msc.k12.ga.us](mailto:missy@lanahan@msc.k12.ga.us)
