President's Message

A Heart for Service in the Shoals

Dear Fellow League Members,

Well it has happened once again... Summer has come and gone and it is now time to settle back into the familiar routine of school, ballgames, meetings, etc. Although it never seems to last long enough, I hope that all of you had a relaxing and enjoyable summer. As I mentioned in last month's newsletter, many of the committees have been hard at work over the Summer. Mary Marshall and the Apple Annie Crew have their ducks in a row and Lynn and Michelle have Bag-A-Bargain headed in the right direction. Thanks to Susie and the Placement Committee, we all have placements and a committee to serve on. Please be aware that in a year with two major fund-raisers, we have fewer community placements, so this makes these even more critical. Karen has the yearbook coming right along and the Hourglass is looking good thanks to Kelly's efforts.

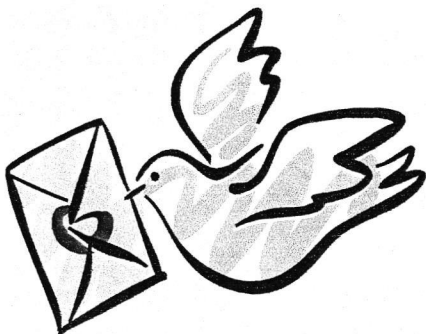

This year, we have been fortunate to have First Presbyterian Church in Florence as our meeting place. The church board has graciously agreed to allow the League to meet at the church free of charge for the entire year. It goes without saying that this is an extremely generous offer and we are certainly appreciative. I would like to thank Robin Coussons for getting this on the church boards' agenda, and making sure they were aware of our need. If you happen to know a First Presbyterian Board Member, please thank him/her the next time you see them.

I look forward to seeing you all at the September meeting, and look even more forward to the exciting year ahead of us! We have a terrific group of provisionals this year. The class is 29 members strong and they are eager to get started in their commitment of "Service to the Shoals". It is important, as members, that we be supportive of these women during this first year. We can certainly all remember our provisional year, and those members whose support and friendship guided us through it. The League is an organization whose work for the community is never ending, and this happens year-in and year-out because of the dedication of its' members.....YOU! I know that this will be another year of outstanding accomplishments by the League for our community.

Sincerely,

Allison
